A completed submission form

Located on the back of this page for you to reproduce, or you can find it at www.mississippimagazine.com. This will ensure that we have all the information we need regarding contact information, subscription mailing information, your photographer's name, and other details.

A computer file of your write-up

Save the file as a Microsoft Word document on a CD. Please title the document with the bride's maiden name and the groom's last name (e.g. Jones-Smith.doc). Word count limit is 500 words for 1 page and 950 for 2 pages. Write-ups that are too long will be edited. We will cut hometowns of the wedding party first, then music and decor, and then at our discretion. We cannot accept the write-up by e-mail, nor can we accept write-ups typed in ALL-CAPS. For complete write-up instructions, see www.mississippimagazine.com.

A printed copy of your write-up

This helps us in the event that there is a problem with the computer document.

2 photos for 1 page or 4 photos for 2 pages

Save your photos on a CD as high-resolution, digital images (300 dpi at 5x7). Share these specifications with your photographer. **We cannot accept photos by e-mail.** (CD's will not be returned.)

The photo of the couple will be the larger photo. Please do not send more than the allotted number of photos for your page. If more than the correct number is sent, we will select photos. Photos may be cropped to conform to the page layout. Do not send photo collages. We will strive to produce pleasing color, but we cannot guarantee an exact color match.

If digital photos are not available, there will be a **\$75** fee for scanning prints. Prints should be sharp and clear, and labeled with a sticky note on back (do not write on prints). Please note that *Mississippi Magazine* will not be held responsible for the print quality of scanned photos. If scanning yourself, make sure they are scanned at 300 dpi at approximately 5x7. Include a self-addressed, stamped photo mailer (preferably a flat-rate USPS envelope mailer) if you would like your photos returned.

A cover photo submission and/or feature article submission (optional)

If you would like to be considered for the cover or as a featured wedding, send **up to 10** high-resolution vertical 8x10 images on CD. (It is not necessary to send prints.) The cover selection will only be revealed when the issue is printed. For feature article consideration, also submit **up to 50 photographs** and a one-paragraph summary of why your wedding is unique and will be of interest to our readers. Submissions selected as featured weddings will be notified within thirty days following the second deadline.
