MERCANTILE

MISSISSIPPI MAGAZINE

In light of the recent cancellation of Mercantile, we wanted to make sure shoppers could easily access all Mercantile Merchants who had committed to participating in the 2020 show. Below is a clickable link to each merchant with a website or Facebook page available, the city they are located in, and a telephone number if available. We hope that everyone will continue to shop and support Mississippi during this time. Please contact mercantile@mismag.com if any additional information is needed.
